## Student Satisfaction Survey 2024-25

Under the student satisfaction survey 2024-25, there were total 311 student respondents.

The summary of suggestions printed out by the respondents are as follows:

- a) Need of Cleanliness in the campus, especially washrooms.
- b) Requirement of proper Water Facility.
- c) Need to promote Skill Development.
- d) Need to Fill Vacancy Of Teachers, as shortage causes difficulties in studies
- e) Need for strict I'd Card checking, to ensure no outsider entry in the college.
- f) Need to increase Subjects Choice At Master's Level. Eg: MSC in Zoology.
- g) Need of New Books in library.
- h) Cleanliness and Vehicle Parking is required in front ground.
- i) Delay in receiving Scholarship .
- j) Need to provide Boys Common Room.
- k) Strict Checking is required during exam time.
- l) Requirement of Wifi in the campus.

### Following actions have been undertaken to provide solutions for the above problems:

- College Administration to initiative to clean the campus regularly.
- New water cooler has been installed recently.
- Workshop on Basic computer skills for professional growth .
- PGDCA course is provided, which concentrates on provision of computer skills to the students.
- See the teachers are students friendly and to resolve the problems.
- Boys common room has been provided to all the students.
- Regarding the vacant position of teaching and non teaching staff the demand has been send to the department of higher education.
- In this session the various new books purchased as per the recommendation of the subject teachers .
- New computer lab has been installed in the college campus and all the computers are fully connected with wifi.
