One-Week Remedial Class- Economics

Dated

August 5, 2024, to August 10, 2024

One-week remedial classes were conducted from August 5, 2024, to August 10, 2024, for two distinct groups of students who require foundational support in specific economic concepts.

Group	Number of Students	Primary Course/Subject	Remedial Rationale
B.A. Economics (1st Year)	5	Foundational Economics (Micro/Macro)	Lack of Class 12 Economics Background.
B.Com (3rd Year)	41	Indian Economy	Difficulty with Technical Economic Jargons and advanced concepts.

Remedial Classes for B.A. Economics (4 Students)

These four students entered the B.A. Economics program without having studied Economics in their Class 12 curriculum. This gap has resulted in difficulties grasping core, foundational concepts typically assumed as prior knowledge. The remedial sessions focus on establishing a strong base in Microeconomics and Macroeconomics principles.

Remedial Classes for B.Com (3rd Year) (18 Students)

The B.Com 3rd-year students are studying the Indian Economy, which requires a nuanced understanding of specific technical economic terminology and indices. The remedial sessions focused on demystifying complex technical jargon and ensuring clarity on their application within the Indian context. The remedial sessions concentrated on defining and contextualizing terms such as Gross Value Added (GVA), Fiscal Deficit, Monetary Policy Tools, Balance of Payments (BoP), etc.
