Criterion 4 Institutional Management

Sub Criterion 4.4 Grievances Redressal of Students and Employees

Any grievances, whether from students or employees, are resolved amicably by the head of the institution through a committee formed under the principle of participatory management, ensuring timely action. Student grievances are generally related to internal assessments, online examination form submissions, results, and admissions. To address cases of sexual harassment, the college has established a Women's Grievance Redressal Cell, which submits periodic reports to the Directorate of Higher Education (DHE), Government of Himachal Pradesh. Regular feedback is collected from students to continuously enhance the teaching-learning environment. For students who may feel hesitant or fearful about voicing their complaints or suggestions, complaint boxes have been installed across the campus. These boxes are periodically checked to ensure prompt attention to student concerns.
