**SAR 2024-25 (SELF ASSESSMENT REPORT)**

**Criterion-4 (Institutional Management)**

**Sub Criterion-4.5 (Green and Clean Campus)**

The college places strong emphasis on maintaining a green and clean campus. Numerous trees and plants have been planted across the premises, complemented by well-designed landscaping that enhances the campus's aesthetic appeal. Periodic plantation drives are organized both within and outside the campus by various clubs and societies of the college. To minimize paper usage in official work, most orders, circulars, and notifications are shared digitally through platforms such as email, WhatsApp, and Telegram groups. Additionally, the college has restricted the entry of vehicles beyond the main entrance, keeping the rest of the campus an automobile-free zone.

Regular sanitation of the College campus is done on regular basis by housekeeping staff. The housekeeping staff has been appointed through Self- Finance and local PTA Fund.

Various cleanliness drives are carried out by NSS, NCC and various clubs of the College. For waste management proper dustbins have been installed at various places in the College. Washrooms are regularly cleaned. And to monitor cleanliness various committees like campus beautification committees, water and sanitation committees etc have been formed.

Some of the glimpses of green campus are here as under.
